CONDOLENCE

Punjab Forest Department expresses deepest condolences to the family and friends of Rana Abdul Sattar, Conservator Rawalpindi D&WP, who died on the spot, in a tragic road accident that took place Motor Way, on 14th March, 2011, while he was proceeding for evaluation of Chawkal Forest Division. Late Mr. Rana Sittar did his Masters in Forestry and Agri Economics. He commenced his career in the Forest Department as Sub-Divisional Forest Officer. He served in various Divisions of the Punjab and presently was working as Conservator of Forests D&WP Circle Rawalpindi. He was an honest, dedicated and highly competent field worker. The Forest Department is saddened at this irreplaceable loss and pray that his soul rests in peace till eternity. (Ameen).

IN-SERVICE TRAINING FOR FORESTS/F.GUARDS IN IRRIGATION MANAGEMENT DURING JAN-FEB, 2011

Rai Muahmmad Rafique, SRO (E&T) Punjab Forestry Research Institute(PFRI), Faisalabad always focuses on field problems. In addition to innovative research activities, PFRI also strengthens the capacity building of the field staff of Punjab Forest Department. For this purpose different training programmes were formulated in past as per requirement of field staff. For the last decade, Irrigated plantations of Punjab are at the threat of water deficiency, for which PFRI devised a special training programme for Forester/F.Guards in the field of Irrigation Management, under PC-I scheme "Strengthening of Forestry Research and Education in Punjab" will held in all major irrigated plantations of Punjab. Main objective of the training is to refresh the knowledge regarding irrigation management so that available scarce water could be utilized efficiently.

Training Program supervised by Dr. Muhammad Afzal, Director PFRI, Gatwala Faisalabad.
