FOREIGN PARTICIPANTS OF INTERNATIONAL INTENSIVE TRAINING PROGRAM (89th- ITP) IN PERFORMANCE AUDITING

The Supreme Audit Institution of Pakistan, as per its international obligations, frequently interacts with the international fraternity on the issues of professional development. One of its initiatives is to train other SAs in Performance Audit. Performance Audit Wing (PAW) of the Auditor General of Pakistan takes pride in having trained more than three hundred performance auditors across the SAs in its thirty years history of organizing International Training Programs. One of the important segments of the program is to take the participants to various historical and recreational places of Lahore to give them a feel of our culture as well as historical background of the country. This year the training program is being attended by the audit managers of Supreme Audit Institutions of Botswana, Iraq, Kuwait, Malaysia, Nepal, Turkey and Pakistan. About 18 Foreigners planted the trees at Forest Park Changa Manga first land made forest of the world who were attending a Course on "International Intensive Training Program (89th) in Performance Auditing". Former Director Budget and Accounts Forest, Mr. Arshad Liaquat Ch. was also among the participants. The group was briefed and presented souvenirs on the behalf of the Secretary Forests by Divisional Forest Officer, Publicity. The Participants showed their deep interest in the forest park and appreciated the hospitality provided by Divisional Forest Officer, Changa Manga (Malik Saleem) and Conservator of Forests, Lahore Circle (Rao Khalid Mehmood).
